

DRIVE LIKE YOUR LIFE DEPENDS ON IT. BECAUSE IT DOES.

Be prepared

Allow plenty of time and familiarize yourself with your route before hitting the road.

Be an attentive driver

Avoid distractions. Just focus on driving. The phone can wait.

Obey traffic laws and signs

Speed limits, roadway signs and traffic cones - all help with roadway safety.

Buckle up. Every time.

This applies to all vehicle occupants.

Practice defensive driving

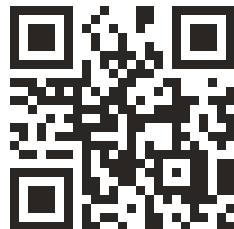

You can only control yourself. Give yourself time and space to react to the unexpected.
